

Environmental Policy

Intent

Kubebooth Inc. maintains an environmental policy to promote and maintain environmentally responsible practices for the benefit of our employees, customers and the communities in which we operate. We will conduct and grow our business in a manner that respects the environment and strive to protect and conserve our world's natural resources.

Guidelines

Kubebooth Inc. is working towards continued improvement through the development of programs and life-cycle thinking designed to address the environmental cost and impact of our activities, products and services. We will:

- Comply with applicable regulations and standards in the industry;
- Support pollution prevention in the workplace, assess chemicals and associated risks through the products we use;
- Use materials and energy efficiently to conserve and reduce the use of our natural resources;
- Minimize the emissions that contribute to climate change;
- Cooperate and develop relationships with our community, suppliers, contractors, government agencies, and other organizations engaged in improving the environment;
- Review environmental objectives and monitor performance, so that we can properly assess our strengths and weakness and reduce our human and ecosystem impacts.

A Greener Workplace

At Kubebooth Inc., we recognize that every action taken in the workplace can have an environmental impact. We will strive to create an eco-friendly workplace that will benefit our employees and the world around us. By implementing the following measures, we can increase our efficiency, save resources, reduce waste and greenhouse gases, and fulfill our responsibilities to our workers, the public, and the environment.
